ABOUT

After three years as a top-performing analyst at Goldman Sachs, I was hungry for a meaningful work experience. I wanted a career that let me spend my days solving problems and helping others. A place where I could finally build practical things that people use to better their lives.

EXPERIENCE

FREELANCE SOFTWARE DEVELOPER (2017-2018)

GOLDMAN SACHS

SENIOR ANALYST (2017) | **ANALYST** (2014-2016)

Managed derivative workflow for 100+ clients, analyzing legal documentation for complex, sensitive deals. Saved 60 work hours/month by coordinating with teams to identify inefficiencies.

EDUCATION

BOTTEGA
www.bottega.tech
ACE-certified full-stack web development program, 12 weeks full-time (60-75 hours) learning,

ARIZONA STATE UNIVERSITY

B.S. IN SUPPLY CHAIN MANAGEMENT
